Hospice at Home, Inc. Reopens in Buchanan

Buchanan, Michigan, January 10, 2007 - After a year of being closed for renovations, the Hospice at Home office in Buchanan, MI reopened on January 8, 2007. Located at 4017 Chamberlain, the office houses seventeen employees and is home-base for local volunteers.

Over the last year, the Buchanan staff worked out of the St. Joseph Hospice at Home office while the Buchanan building was renovated. Hospice services continued to be available in Buchanan, however the staff had to drive a significant distance. "We are thrilled to return to our Buchanan Office," states Jackie Wilhem, Director of Patient Care. "It allows us to continue our tradition of neighbors caring for neighbors."

An open house for the community will be held at a future date. In the meantime, individuals interested in learning more about hospice care or volunteer opportunities in the Buchanan/Niles area are invited to come to the Buchanan office.
